Park 'n' Ride car parks provide the best of both worlds, low cost efficient public transport with conveniently located affordable car parking, to help you connect with the people and places you want.

Whether it's for work, study, shopping or entertainment, there's a public transport solution to suit your needs and a Park 'n' Ride to make it even easier.

With 72 Park 'n' Ride locations throughout the Adelaide metropolitan and hills area, providing in excess of 10,800 car parks (and more on the way), there's a Park 'n' Ride near you.
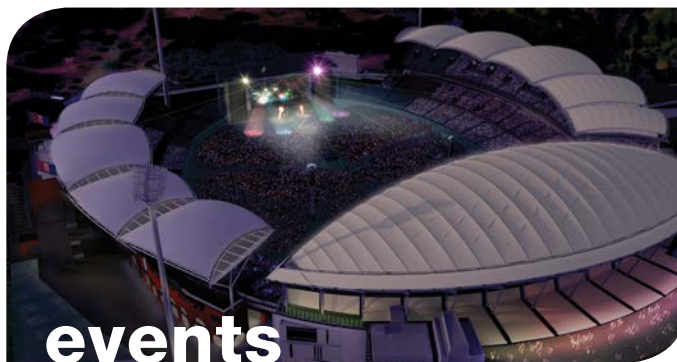

P See list of locations within this brochure and check for the Park 'n' Ride symbol on the map in your timetables to locate your nearest Park 'n' Ride.

Several Park 'n' Ride facilities provide secured undercover multi-level parking with direct access to major interchanges and in close proximity to retail and entertainment areas. These include the Park 'n' Ride at the Entertainment Centre (providing over 1400 car parks) and the new 700-space Park 'n' Ride adjacent Tea Tree Plaza Interchange at Modbury.

The Park 'n' Ride at Modbury allows you to use the credit on your metrocard to cover the cost of parking – from just $2 a day when validated within 2 hours of your use of public transport – so you get even more benefits as a metrocard user.
